BARRIERS

**MIAMI-DADE COUNTY PUBLIC SCHOOLS
2023-2024 TITLE I SCHOOL-LEVEL PARENT AND FAMILY ENGAGEMENT PLAN (PFEP)**

Provide a description of any barriers that prevented parents from participating during the previous school year. Describe the steps the school will take for the coming school year to overcome these barriers (with attention to parents/families with disabilities, limited English speakers, students living in unstable housing situations, and parents/families of migrant children) [ESEA Section 1116].

Barriers Areas	Plan of Action (Steps)
Homelessness	We will implement various initiatives to support homeless students and ensure they have access to the necessary school supplies and uniforms that they need. The Administration, Community Involvement Specialist, and Project Upstart Liaison will collaborate with Community Partners and Project Upstart staff to secure additional resources for this student population. Efforts will center around making a significant difference in the lives of homeless students and creating a more inclusive and supportive educational environment.
Unfamiliar with School System	Our Administration will proactively meet with new families in the school system to provide them with essential information and resources about the school. This can help ease the transition for these families and ensure they have a smooth start to their children's education. Additionally, having the Community Involvement Specialist available to assist these families with tasks like navigating the Parent Portal and addressing any other areas where they may need help is a valuable service. It demonstrates a commitment to supporting parents and guardians in their involvement with their children's education.

PARENT AND FAMILY FEEDBACK

The PFEP is a tool that is used to determine how well our school is partnering with you and promoting your involvement in your child's education throughout the school. Your feedback is important in helping us in continually improving the PFEP and the parent and family engagement program at our school. We have provided contact information below so that you can learn about the different ways you can be a part of this home school connection. Thank you!
